# Electronic Connectivity of CPSP Centers

# **GOOD LOCAL TRAINING...**

**HOW does it  
benefit all the  
stakeholders ?**

# **GOOD LOCAL TRAINING...**

**CPSP promotes specialization in hospitals, organizes trainings, accreditation / de-accreditation of hospitals, conducts examinations and admits in Fellowships.**

# Benefits of good local training

- Trainee
  - Supervisor
  - The training institution
  - The College
  - The Country
- 

# Pakistan's Health Statistics

- **Health expenditures 2.6% of GDP**
- **Physicians density 0.813 physicians/1,000 population**
- **Hospital bed density 0.6 beds/1,000 population**
- **Presently 121,374 doctors are registered in Pakistan. In this group around 23,000 are graduates from the college.**

# **The Dilemma after creating quality Human Resource in Health**

- **Enhanced professional value in other (local or foreign) systems.**
- **Lure of better professional and / or economic prospects abroad.**
